

Request for **EXPRESSION OF INTEREST**

In 2011, the **National Health Fund (NHF)**, a Statutory Body, took over the responsibility of the procurement, warehousing and distribution (wholesale and retail – dispensing) for the Government of Jamaica (GOJ) / Ministry of Health (MOH) from Health Corporation Limited (HCL).

The NHF is seeking capable technical companies / firms to provide a “Pharmacy and Inventory Management System” for use in the Drug Serv pharmacies and integration with the core Enterprise Resource Planning (ERP), Microsoft Dynamics, used in the warehousing and financial operations of the organization. The firm’s solution will lead to the effective delivery and management of pharmaceutical services in the public sector.

Specifically, the following will address the expectations of the selected firm:

- Liaise with the NHF in ensuring the proposed system meets the requirements
- Implement and pilot proposed solution based upon requirements defined and agreed
- Train the NHF in the use, operations and administration of the proposed solution
- Provide user manual for the proposed solution
- Provide ongoing support for the proposed solution
- Adhere to agreed standards in response and resolution to issues

Key Qualifications

- Five or more years experience in the field of Information and Communications Technology
- Established and demonstrated expertise in the provision of enterprise ready (integrated, multi-user/multi-site, ability to handle large volumes of data, secure, high availability) software applications (with a strong portfolio of work done)
- Established and demonstrated experience and knowledge in the supply of software solutions in the health sector with specifics in hospital and/or health center and pharmacy operations including inventory and/or pharmacy management systems

Requirements for submission are as follows:

- Company profile indicating key qualifications, portfolio of solutions provided and client references
- Copy of Valid NCC in any of the following categories:
 - Information Technology Systems
 - Information Technology Services
 - Computers and Supplies
 - Computers and Related Services
- Copy of Valid TCC

Note: If selected, overseas bidders will be required to submit their NCC registration at the time of the award of contract.

3 copies of the response are to be placed in a sealed envelope labeled as follows:

**“EOI Pharmacy and Inventory Management System NHF/MS/2013/21”
The National Health Fund
6th Floor
The Towers
25 Dominica Drive
Kingston 5
Jamaica**

Responses must be submitted/placed in the box labeled “EOI Pharmacy and Inventory Management System NHF/IMS/2013/21” in the lobby of the National Health Fund no later than 2:00 p.m., June 28, 2013 to the following address:

The National Health Fund, 6th Floor, The Towers, 25 Dominica Drive, Kingston 5, Jamaica.
