

# MEASURES TO IMPLEMENT AT THE WORKPLACE

/// COVID-19

Keep workplaces  
clean and hygienic

Avoid close contact  
with people

Promote regular and  
thorough handwashing

Promote good  
respiratory hygiene

Advise all employees  
and those who are sick to stay home

Consult national travel advice before going on a business trip

Have a medical kit on hand equipped  
with alcohol wipes, tissue, flu tablets, vitamin C,  
and other necessary medications.
