

Vision

No financial barriers to healthcare.

Mission

To provide funding for specified healthcare benefits, health promotion, health projects and pharmacy services in a sustainable, efficient and customer centric environment.

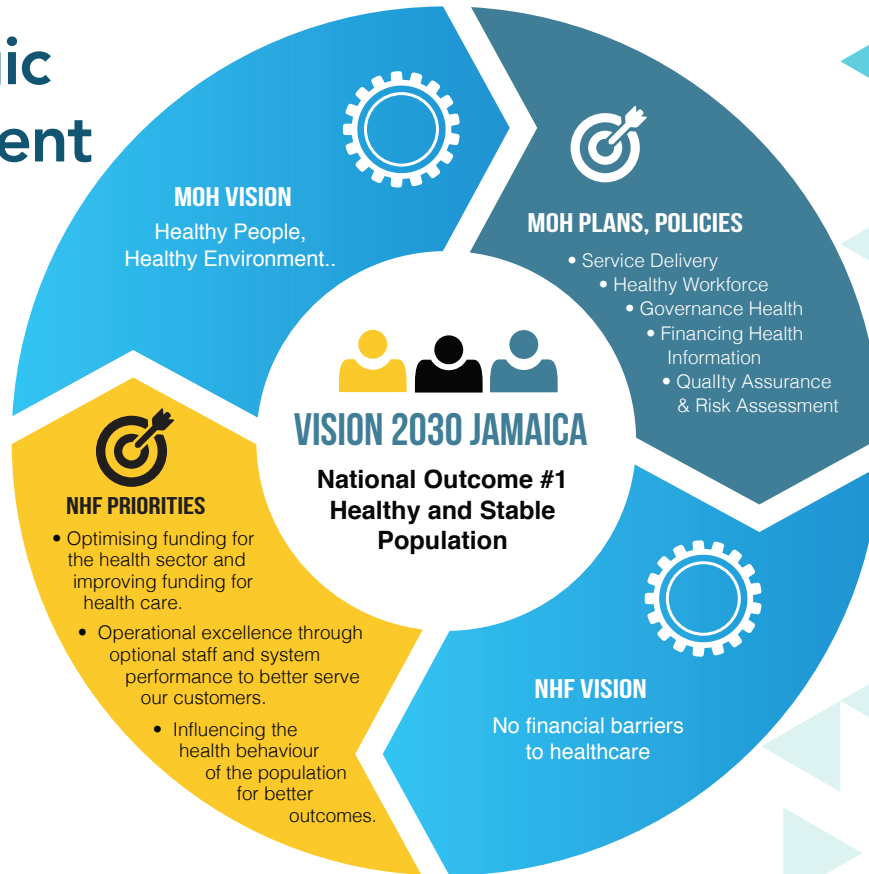

Statement Of Values

At the National Health Fund, we are committed to the highest standards of honesty, integrity and quality. We will at all times be professional in discharging our responsibilities and be guided by noble moral and ethical standards.

Strategic Alignment Wheel

Ministry Of Health Strategic Objectives

The Ministry of Health's strategic objectives are as follows:

1. Provide the Jamaican population with health care service that is accessible and of the highest attainable standard
2. Maintain and develop a qualified and professional workforce for the delivery of health and allied services
3. Improve the quality of health information systems for planning and management of the health services
4. Develop and monitor the implementation of viable health financing options
5. Strengthen governance mechanisms in the areas of compliance, accountability, policy, legislative, and regulatory systems

NHF's Strategic Priorities & Objectives 2018 - 2019

Strategic Priority 1 & Objectives

Optimizing funding for strategic health projects and improving access to affordable healthcare.

- Implement NHI to reduce resource gaps to healthcare coverage.
- Improving access to pharmaceuticals, medical supplies and equipments.
- Financing projects that positively impact the public health system.

Strategic Priority 2 & Objectives

Influencing the behaviour of the Jamaican population for better health outcomes.

- Create opportunities and interventions to reach target population.
- Establish and strengthen partnerships across sectors.
- Utilize appropriate technologies to expand participation and share information.
- Collaborate with the Ministry of Health in the delivery of health promotion.

Strategic Priority 3 & Objectives

Operational excellence through optimal staff and systems performance to better serve our customers.

- Continuously develop high performing staff to achieve greater outcomes.
- Sustain an organizational culture of excellence through HR investments.
- Improve Customer Service Standards.
- Improved Efficiency through the use of Information Communication and Technology.
